

# Soroptimist International of Los Angeles

# Dream

## Saturday, May 20, 2023 from 1:00-2:30

Join our virtual celebration honoring FIVE amazing women pursuing their dreams. And then stick around for DESSERT—Chocolate! Chocolate! Chocolate!

Our club's efforts to serve and promote women and girls are legendary. And this year is no exception. **Live Your Dream** is a program which identifies women who are the sole support of their households and who are diligently striving to improve their circumstances through education. The **Joan Johnson Graduate Fellowship** is awarded to a woman pursuing post graduate studies. This wonderful celebration includes a very sweet opportunity - a chocolate tasting by Cococlectic!

We'll be tasting four different craft chocolate bars, learning how chocolate is made, discovering how flavor and taste are developed, and discussing each bar's flavors and aromas. Before the session, Cococlectic will ship you a chocolate box with four full-size bars. Gather some friends and join us for a great afternoon!

\$125/box before April 30; \$140/box after April 30 (to accommodate shipping chocolate in warmer temperatures). Each box can serve 5-7 persons.
